SEPTEMBER – OCTOBER 2016

Dear Friends,

Psalm 7: 17 "I will praise the LORD according to his righteousness: and will sing praise to the name of the LORD most high."

Greetings in the wonderful and lovely Name of our Lord Jesus Christ. Spring is the first of September here BUT it doesn't mean winter weather is completely gone but we know there will not be much more winter weather.

One of our ladies attending Western Plains Baptist Fellowship writes for one of the weekly local papers and asked David for an interview along with two other ministers for an article, The Digital Church. She also gave a plug for our web blog www.dubbo4christ.wordpress.com. The interview was free advertising and allowed more people to know who we are and where we meet.

Our oldest Australian grandson turned ten August 24. We purchased him a Bible cover for his Bible when he takes it out of the house. We would ask that you also pray for him as he has been asking questions about salvation, forgiveness etc.

Pray as well for each of our young Sunday school students. From left to right; Caleb, Michael, Isaac, Nathaniel, Bethany, Nyah, Keirsten, Jonah and Joshua.

Thank you so much for your continued prayers and financial support which allows us to live and serve here. May the Lord richly bless you for it.

In Christ's Care,

David & Pam Bennett

Pastor David Bennett receives blog hits from all around the world, including the United States, Australia and European nations such as Russia.

I comes as a surprise to learn that representative Pastor David Bennett is on Twitter.

"It's a challenge in some areas but once I learn to do it, I manage."

"I'm thinking of Instagram as well, but I'm not sure yet," he says.

The Western Plains Baptist Fellowship leader also has five blogs and regular shows on community radio in both Dubbo and Gilgandra. His wife Pamela is a regular Skype user.

Pastor Bennett is just one of a growing number of modern-day ministers who know that being tech-savvy will earn them both credibility and congregations.

His blog "dubbo4christ" and self film series his own age can visit, view and "My main priority here is able to know explained."

Born and raised here of lower, but around the world, in India and European "People have different views in life. They're world."

"On the blog, there are, education and if they're topic areas on his radio show Friday and Sunday. "People are looking for answers. You never know how many are looking for answers."

My Bennett said every person's spiritual needs are different, as are their reasons for seeking guidance.

"In the years that I've been in the ministry, it's surprising why people come along, even people that come on the sidelines. Usually people have had something happen which has turned off or on their beliefs. They will ask 'Why did that happen if there is a God?'"

Living in Dubbo increases the need for the website, with a smaller congregation seen by the Pastor face to face.

"When we were in Sydney, we had a large Sunday School of 100, and we also had a class for the whole of the week."

Some denominations are they present things but find their flow."

In the past year, Mr Bennett
