## **THE YARD MAN WAS HERE TO CUT THE GRASS**

**The yard man was here today cutting the grass.** Now it has a strange pattern like a path around the bushes and up and down the yard. That's the first time such a configuration has been on our lawn! Wonder what was up with the lawn man? Wish I had not looked out the window!

## **WE CANNOT HIDE FROM TRUTH**

**That's how it is sometimes with life. It's better not to look out the window as we drive down life's path and see the disruption that is found there!** But we cannot hide our eyes from the truth or the terror by night or the arrow that flieth by day (Psalm 91:5). Life must go on! God calls us to continue what he has called us to.

## **THINK OF ABRAHAM**

**Think of Abraham and the challenges he had to be faithful to Him Who promised. Remember David who constantly was in a literal battle for his life and for the future of Jerusalem!** Then there was Moses who longed to have the quiet life of a shepherd, but was called by God Himself to lead a rebellious people into the promise land.

## **THEN THERE WAS MARY**

**Then there was Mary who never asked to be assigned to the impossible task (except for the power of the Holy Spirit to overshadow her) to be the mother of the Saviour of the world and all that entailed.** Or Mary and Martha who had to watch their brother die and be buried--with no Jesus in sight to heal--until He came and raised the dead man from the tomb. Or the woman with the issue of blood, more years than she could remember, who felt the healing power from one touch of Jesus' garment. His healing power filled her body.

## **DR. WAITE'S FIGHT FOR THE ORIGINAL TEXTS OF THE KING JAMES BIBLE**

**I think of my husband, DR. D. A. WAITE and his long fight for the King James Bible and its underlying Hebrew, Aramaic, and Greek original Words. My husband did not always come with a passion for the Received Text. In fact, he was taught from the actual WESTCOTT & HORT Gnostic Critical Greek New Testament when he was a student at Dallas Theological Seminary in the early years of our marriage (1948-1952 for his Th.M.).** That was the OLD DALLAS. That's what we call it. Dr. Lewis Sperry Chaffer was his teacher, along with other godly men from the past. We lived in a 26-foot-long trailer with no bathroom or even a proper drain for the kitchen sink. I can still hear in my memory's ear the sound of the Texas rain on our trailer's aluminum roof. Such a soothing, comforting sound as I lay in bed with my new husband by my side! Had two babies there in Dallas, made dear friends, and began to learn many "marriage lessons." It was a wonderful time in our lives. My husband worked at the John E. Mitchell company to support us and I started out working in the library for Mr. Rand, the librarian at the time. Mr. Rand used to sneeze a lot. Each time he sneezed, he sneezed three times in a row without fail.

## **THE TEXTUS RECEPTUS--THE WAY TO GO**

**It was from a personal conviction after reading JOHN WILLIAM BURGON'S REVISION REVISED (BFT #611 @ \$25.00 + \$8.00 S&H) that Dr. Waite came to realize that he had been taught wrong at seminary!** He became convinced that BURGON was right! The *TEXTUS RECEPTUS* was the way to go! From then on, his life's direction was changed and the fight for the Words of God became his passion. By the way, it was while he was teaching at Shelton College in Cape May, New Jersey, that a student told him about Dean Burgon and his eye-opening book.

# THE DEAN BURGON SOCIETY--A STALWART STAND

THE DEAN BURGON SOCIETY IS A TRIBUTE, I THINK, to the stalwart stand that Dr. Waite and other brave men have taken to defend the AUTHORIZED VERSION as the best English translation of the original language that we have today.

Not only is the King James Bible correctly translated, it has a beauty and cadence that no other English Bible has. Don't you agree?

## 35<sup>TH</sup> ANNIVERSARY REVIEW OF DBS JULY/2013

ORDER TODAY: (BFT #4072/1-2DVD @ \$25.00 + \$8.00 S&H)

- Well, the THIRTY-FIFTH anniversary of the DEAN BURGON SOCIETY is over. (July 23-24, 2013)
- DBS had a good gathering in Franklin, Massachusetts in July (2013). Scholarly talks.
- \*PASTOR DANIEL WAITE started off the conference with **THE FALSE TEACHING OF THE BIBLE OF ROME**. We learned that the Institution of Roman has translation problems, too. Surprising enough, we heard that the ENGLISH STANDARD VERSION (ESV) appears to be well accepted in the Catholic circles. Strange! It is the version that Bob Jones University and other Fundamentalists are drifting towards lately.
- Heard from MISSIONARY DAVID BENNET (Australia) via DVD ON his message, **FIVE SMOOTH STONES**.
- Dr. Ed DeWitt endured 50 hours on a train and in train stations to speak to us on **THE DANGERS OF RUCKMANISM**.
- DR. CHRISTIAN SPENCER'S paper on **ISLAM AND THE KING JAMES BIBLE**. Most informative. GET IT!
- Bible Teacher JAMES GRUMLATT blessed our hearts as he continued his theme, **PRESERVATION AND NEW TESTAMENT TEXTUAL DEVIATIONS**. A SPIRITUAL BLESSING!
- PASTOR KEN RAINEY brought his South Carolina accent with him as he gave his paper, **THE SIMPLE TRUTH**, to the Society. (Pastor Rainey gave his testimony at another time which blessed our hearts.) He also read a message by Charles Kriessman (who couldn't attend) on **THE INFLUENCE OF PETER RUCKMAN**.
- DR. SAMUEL YUN presented a scholarly teaching of **OLD TESTAMENT ILLUSTRATIONS OF PRESERVATION**. OF INTEREST! He studied this translation subject to refute Dr. Waite's position on KJV's textual defense. Dr. Yun's study--much to his surprise-- proved to himself that Dr. Waite was right and his Harvard Divinity School professors were wrong.
- GEORGIAN PASTOR DAVID COOPER, GAVE US HIS PERSONAL DEFENSE OF THE KING JAMES BIBLE. He is a good asset to the Society. He and his church will be NEXT YEAR'S DBS HOST in 2014 at BIBLE BAPTIST CHURCH in MARIETTA, GEORGIA, Wednesday and Thursday, July 23-24, 2014.
- LAYMAN BILL SHEPPARD--new to the Society--shared his testimony--**LEAVEN IN OUR CHURCHES**.
- HOST PASTOR, KIRK DIVIETRO, of GRACE BAPTIST CHURCH IN FRANKLIN, MASS. WOWED US with his message on **ERRORS OF KITTLE & STUTTGART'S HEBREW TEXT**. He was so happy we were with him.
- The last speaker, as always, was PASTOR D. A. WAITE , Th.D., Ph.D. in his speech, **THE BIBLICAL DEFECTS OF THE KJBFC, he compared the doctrinal statements of THE DEAN BURGON SOCIETY to the doctrinal statement of the newly-formed KING JAMES BIBLE RESEARCH COUNCIL**. *It was an eye-opening revelation and most alarming to me personally.*

\*We want to thank Pastor Daniel Waite for all his skilled workmanship to wire up the church for "live streaming" and the time consuming work of getting the DBS messages ready for future "streaming," as well as transferring the many messages and testimonies on DVD's so you can view them.

The Society missed hearing the scheduled speech from Mr. Robert Winograd from Illinois, who could not be with us this year, because of business responsibilities. This is the second year he was hindered from attending.

Yours--IN GOD'S WISE CARE,

*Yvonne S. Waite*
